

# Evidencing the Impact of the Primary PE and Sport Premium 2017/18

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>The number of children engaged in physical activity within extra-curricular clubs and the range of sports provided</p> <p>The quality of PE taught in lessons and the ongoing commitment to CPD</p> <p>That 99% of children from Yr 1 – Yr 6 have represented the school at a sporting event during the year.</p>	

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	96%

What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	70%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	47%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes for top up swimming

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

**Key indicator 5: Increased participation in competitive sport**

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Access for pupils to attend competitions, festival and school games events.	Join the Barnstaple Primary School Sport Programme. SSCO support for arranging competitions, festivals and access to Devon School Games, provide advice on good practice, arrange or deliver training for staff and pupils (Sports Leaders)	£2,200.00	SSCO ran eight festivals and nine level 2 school games events covering all the age groups from Yr 1 to Yr 6. 99% of our children represented Sticklepath at one or more event. Gymnastics CPD was provided for our staff and other training eg: swimming, hockey and cricket arranged.	Renew the Service Level Agreement for 2018/2019
Children given opportunity to represent school at local gymnastics competition	Entry fees and insurance	£172.00	11 teams were entered into the school gymnastics competition this year	Gymnastics club to prepare gymnasts for 2019 competition
All Yr2 and Yr4 children taken to the local tennis centre for primary schools tennis festival	Entry fees	<del>£240.00</del> £251.00	The tennis festivals were attended by all Yr 2s and Yr 4s	Next cohorts to attend the festivals in 2019
To allow children to participate in as many events as possible	Transport costs	<del>£2,250.00</del> £2,000.00	Our teams have been so successful this year because of funds to transport the children to events. The rural nature of North Devon and lack of public transport means that most events require coach transport. We were fortunate to qualify for L3 school games events and finals which meant travelling to Plymouth and South Devon on three occasions which would not be possible without funding.	To allocate funds for 2018/19 to cover transportation to events
