# Bikeability

Congratulations to our first group of students who have passed their Level 1 and 2 Bikeability this week.

This week in the nursery our concept is 'community' and the children are learning all about the people in our community who help us.

Marilyn is a familiar figure to most of the children at Sticklepath School as she helps them cross the road at the start and end of the day. Today she kindly visited the nursery to talk about the special clothes she wears and how she stops the traffic so that we can all cross the road safely outside of school.

The children all had the chance to practice crossing the road safely with Marilyn and have enjoyed role-playing in the nursery afterwards!

Thank you Marilyn!

# KS2 Dance Festival

What a fabulous morning we had at the KS2 dance festival at Park School. Our children worked alongside the Park School dance teacher and her GCSE students putting together and presenting a piece based on The Lion King. The performance at the end was amazing and the children were given an additional surprise performance from the dance students.

# This Week in Forest School

This week's theme was tracks, trails and compass work. We shared the story of Rosie's Walk by Pat Hutchins whilst thinking about directions and how to lay trails. We have also thought about Ukraine and have constructed sunflowers and placed them within our remembrance area.
