

Why do so many people in the world live in Megacities?

- 1 – What are megacities and where are they located?
- 2 – Why do cities develop into megacities?
- 3 – Why is Milton Keynes the UK's fastest growing city?
- 4 – Will London become a megacity?
- 5 – How do the advantages of living in cities compare with the disadvantages?

Homework- SATS revision books will be used for homework. This will be set on Friday by RSO/DMO.

PSHE
