**Tennis** - Euan (DMO) had a busy summer on the tennis tour travelling all over the country. He won the U9's open at Taunton, U10 Doubles at Cranleigh in Surrey but by far the highlight was playing for Devon in the South West Counties Championships. Devon did really well against tough opposition to finish as runners up in this year's championships. Well done to Euan and all his team mates.

Milo plays tennis at the Tarka Tennis Centre. He attended the free open day (which was promoted here in school) back in April and has been playing ever since. Since September he has twice received the star player award. Well done Milo! It is great to see our pupils finding a sport that they love following taster sessions or events offered by our school. Please take advantage of anything that comes your way.

**Yr 3/4 Cross Country** - What a great morning at the annual Yr 3/4 cross country race at Park School. We were so proud as all the children completed the course (and some of the teachers)! A special mention to our medallists Myiesha 1<sup>st</sup>, Finn and Laria 3<sup>rd</sup>. We also had plenty of others in the top ten. Congratulations everyone.

**Tennis** – Thank you to tennis Pro Rob, from Devonshire Tennis Academy, who comes into school on Fridays to work with our teachers and children. Here are some Yr 1s enjoying their lesson.

**October 2018**

**Tag Rugby** – It's fantastic to see several of our Yr 2's turning out for their first match for Barnstaple U7's at Taunton. They really enjoyed themselves and played some excellent rugby. Well done boys and girls.

Ben in Yr 5 also had a cracking match also playing in Taunton for Barnstaple. What a great action shot!

**Yr 3 Multi Skills** - Classes MTO and BPH enjoyed a morning of multi-skills at Park School. With over 300 Yr 3s participating, it was a very busy morning. The children enjoyed taking part in eight different activities incorporating agility, football and netball skills. Thank you to Mrs Farr for organising such a big event and to all the Sports Leaders from Park School who were fantastic supporting the children and leading the skills stations.

**Yr 5/6 Park Cross Country** - Well done to all our runners at the annual inter-primary cross country race at Park School. Once again everyone tried their absolute best with many achieving personal best places. Thank you, to the children that stopped during the race to offer assistance to a child from another school that was in distress. What a kind thing to do!

Congratulations to our medal winners - Leo and Brooke who won their respective races and Ollie who finished 2<sup>nd</sup>.

**Yr 2 Multi Skills Club** – Thank you to the Petroc Foundation Degree students who have been coming along on Thursdays after school to run sessions for our Yr 2s. They have been challenging the children with activities based on their ABC's (Agility, Balance and Co-Ordination) and much fun has been had by them all.

**Gymnastics** -Amelia in JMU competed in her first gymnastics competition for Falcons Gymnastics academy. She did really well and came 2nd on the beam and 4th overall in her age group. The competition was at Falcons gymnastics centre in Barnstaple and there were 12 competitors in her group from various gymnastic centres around the South West. Well done Amelia, what a great start!

**Stephen's Shield Cross Country** – What a super morning in Torrington for the annual team cross country event. This year we took a Yr 4 & 6 girls and boys team. Everybody did their absolute best for the team. The race is a really difficult, over rough and steep terrain. Congratulations, to Myiesha who finished in 3<sup>rd</sup> place, an excellent result! Everyone said they enjoyed the event once it was over, and some wanted to run it again! Thank you all for representing the school with great determination and sportsmanship. It was also great to have so many parents help out and come along to support. We await the team results.

**Tennis** – It's great to see Euan continuing on his tennis journey, representing Devon in a doubles tournament against Dorset and Hampshire finishing in 2<sup>nd</sup> place.

**Fencing** - Jamie (HAE) entered his first fencing tournament at the weekend in Plymouth. He fought against boys and girls from all over the South West who had a lot more experience, but showed great resilience and determination in each of his fights winning a number of points and one fight. Well done Jamie.

## November 2018

**Yr 4 Sportshall Athletics** - Well done, to our team for finishing in 2nd place overall at the Sportshall competition.

Each team member took part in: 1 lap race, 2 lap race, speed bounce, chest push, standing long jump and finished up with the school relay. After all the events the team score was added together. We only missed out on first place by one point!!! The children performed brilliantly and were a real credit to the school. They were very generous in their applause and support for all the other school teams competing too.

**Gymnastics** - Congratulations to Charlie (DSM) who helped the South West team to silver medals at the National Championships in Birmingham.

Charlie competed in the Level 2 category and had to complete each discipline: floor, vault, pommel, rings, high bar, parallel bars and PPP.

What an excellent result Charlie! We are very proud of you and wish you well in your future competitions.

**Park Run** - Congratulations to Freddie (TRG) for completing 11 junior park runs at Barnstaple, and receiving his half marathon wrist band! Doesn't he look proud! 🏃

**Climbing** - Some of our children took part in the inter- school primary climbing competition at Rock and Rapid. They had to take on lots of challenges and different routes on the walls as well as the bouldering room. Well done to you all for giving it a go!

**Kick Boxing** - Congratulations to David (TSU) who has successfully passed his grading and moved up two belts to a yellow belt in kick boxing!

**Football** - Frankie (JMU) was selected by Southampton Football Academy to play against Aston Villa on Saturday in Birmingham. He played really well and had some excellent feedback from his coach. How exciting for Frankie and his family!

## December 2018

**Sitting Volleyball** – Congratulations to our super team who won silver medals in the sitting volleyball competition. They now go forward to the County Finals in February.

**Track Challenge** – this week saw the return of our termly ‘Track Challenge’. Each class ran for ten minutes a day to see how many laps they could complete. The children enjoyed trying to beat their personal best score each day. Over 2250 km was run in total. What superstars!

**Yr 6 Sportshall competition** – We had a fabulous morning at Park School competing over five events: running, jumping and throwing. The morning was completed with a victory in an exciting relay against Landkey. Overall the team finished in 3<sup>rd</sup> place. Well done to all the children who competed with great determination.

**Under 11 Danone Boys Football Tournament** - our boys were fantastic, getting all the way to the last stage of the tournament. After finishing 2<sup>nd</sup> in the group stage they went on to beat Bratton Fleming 2-1 to progress to the semi-final. The winners of the two semis were both guaranteed a spot in the Devon final. Both ended 0-0 and went to a penalty shoot-out. Unfortunately, we lost out to Bradworthy but it was a real nail biter! We are very proud of the team, their play, goal keeping and attitudes were superb.

**January, 2019**

**Personal Challenge** – In our KS2 Activity Club we have been working on ‘personal challenge’. Each child chose an activity to practise over and over to see if they could increase their score. I wonder what they will choose to do next?

**Judo Skills** - These children were seriously in ‘The Pit’ when we arrived at Kingsley School for a day of judo skills. They were extremely nervous and hesitant, not really wanting to take part, but what a day we had! After some warm up games the children became really engaged with all that was thrown at them (literally). At the end of the session they were even allowed to throw the instructors. I was so proud of them all, especially the way they listened and persevered with some quite tricky moves. Their behaviour and manners were exemplary. Well done Yr 4s.

**Medals and Certificates – Congratulations,** to Harvey on winning a whole stack of swimming medals at the Dartmoor Sprint Meet. He won silver in the 50m breaststroke and bronze in the 50 m backstroke, 50m freestyle and 100m individual medley. What a star!

Ines was also making the grade in gymnastics, gaining her Level 3 and 4 award at the Falcons Gymnastics Academy.

## February, 2019

### Park Run –

Thank you to all 23 of you that came out to run at a very cold and crispy park run. You were all fantastic, Sticklepath made up 24% of all the children there! There were 6 first timers and 5 new personal bests. Well done to Myiesha for getting her marathon band (for 21 park runs). Thank you to the 7 members of staff and Neve who came along to run and support the children.

## Ability Games –

We had an awesome day at the Ability Games today. The children were a credit to our school and a number of adults running the event commented on our ability to wait patiently, listen and encourage each other.

Thank you to Mrs Gaunt for helping us to take part in so many fantastic sporting events and to Mrs K and Miss Warner for being a part of it with us. A big well done to our sitting volleyball team who won a bronze medal!

**High 5 Netball Tournament** - We had a fabulous morning of netball at Park School. Well done to Sticklepath Jets for getting to the semi-finals. It was a very close match and we were very unlucky not to get to the final. Congratulations also to Sticklepath Rockets, who played some great matches in the pool stages. The team work and determination really shone through in both of our teams. Thank you to Miss Priest and our parents for their support.

**Track Challenge** - What a lovely week of weather for our spring term track challenge. The children and teachers were absolutely awesome, throwing themselves into the challenge with so much enthusiasm. This time our aim was to run to Rome! In fact, we managed to run straight past, through Naples and on to Pompeii.

Top class for the average number of laps went to TSU who managed 3.82 per child.

Collectively we ran 112 km further than our challenge week in December. That's brilliant, we are getting fitter and faster!

## Dance -

Congratulations to our dancers Tyler (DSM) and Amelia (JMU). Tyler has been awarded his Grade 1 in ballet and tap. Amelia has taken her first street dance

exam passing with honours. Multi-talented Daniel (HAE) passed his Street Dance bronze and has also been awarded with his Gang Show scarf. All of the children dance at the Unlimited Dance Company. Well done to you all!

The standard of match play was really high and we put in gutsy performances in the group stages, losing only to the eventual winners from Exeter, Wynstream School. Thank you to Mr Joslin for taking on the manager role and refereeing for us, and to the other supporters that helped with transport. It is much appreciated.

Also, special mention of the gutsy performance put in by our B team, who battled courageously against tough opposition in the other pool. They were awarded 'Respect' wristbands for showing great sportsmanship. This is one of the key values of the school games, and I was extremely proud of them for getting these. Thank you to our supporters for staying and cheering them all on.

**Dance** – Isabelle (DMO) passed her IDTA dance exams with Unlimited Dance Company. She passed her Grade 1 Ballet, Tap and Street Dance with Honours! Well done Isabelle.

Meanwhile, brave Cerys (DMO) had to perform a solo at the British Street Dance championships.

Congratulations to them both.

Also, congratulations to Myiesha (RPR) who finished in 5th place overall an amazing achievement.

### **Rising Stars –**

Four of our Yr 6 children have been selected onto the Rising Stars programme for 2019. Their first day was spent at the Tarka Tennis centre, where they were able to take advantage of some great coaching in gymnastics and tennis. From that session Charlie and Ollie were invited to attend a 'Basketball' morning at Pilton School where they learnt some new ball skills and took part in lots of mini games. All four children will be spending an inspirational day out at Bath University in the summer.

**Football, Sticklepath –v- Eden Park** – Thank you, to Eden Park for coming to play a friendly football match with us. It's great to be able to start to play informally with the other schools in our Tarka Learning Partnership. The focus of this match was to gain some experience, show teamwork, perseverance and respect. Our team was made up of Yr 5s that have not previously represented

the school, and the opposition were Yr 6! Even though we lost the match, our heads did not drop and we fought to the end. There was great team spirit shown. Well played boys, you are all a real credit to the school 😊

**Tri-Golf** -Brrrrrrrrrr it was cold and windy at the Tri Golf, but that didn't put off our hardy team of golfers. They played some excellent shots until we were 'hailed off' the last two holes. There were 8 other different school teams competing, and everyone enjoyed themselves despite the weather.

### Torrington Aquathlon -

A huge well done to all our athletes that took part. It really is tough to do a swim/run event.

We were very impressed by their determination, guts and spirit. Every single one finished the race and some even had a smile on their face at the end! Sticklepath can again be very proud of your efforts.

**Our School Race for Life Update** – Thanks to the support of our families, we raised a whopping £4928.45 to help towards the fight against cancer. With some money still arriving it looks like we will surpass £5,000. That is truly amazing!

**Devon Summer Games** - What a fabulous day our 'Super Six' golfers had. They played extremely well against some stiff opposition. Many **congratulations** to Ollie who was presented with a medal for 'Respect' which is one of the Devon School Games values. Congratulations to Team India on the win and to all our sprinters. Thank you to all of you that cheered and supported the children.

**Earth Week** – Walk to School challenge! For some it was easier than others. For those that lived far away they were encouraged to try parking further away so that the children benefitted from the exercise and reduced car emissions. Others wheeled to school and it was good to see the bike shed full. Well done Earth Champions keep up the good work!

**Tennis Champions** - Congratulations to Euan and Navindu who won the North Devon Schools Year 5/6 summer tournament, successfully defending the title they won in the winter season back in October. **Yr 6 Athletics Festival** - Yr 6 Athletics festival was a great success. The children were mixed with pupils from other schools to make up teams and completed a circuit of athletic based activities collecting team points on the way. They all worked extremely hard to earn those points. Well done to Team India on the win just two points ahead of China.

**Dance** - Last week, Tyler (DSM) performed a dance choreographed by his sister Caitlin (ex-

Sticklepath pupil) at the Park School dance show. Tyler was asked to be part of the show event though he is not yet a student. Caitlin has chosen dance for her GCSEs and I am sure that their parents were very proud of them both. I am sure you agree that the photos are beautiful.

**Rising Stars** - It's was an early start for these four! They were off to visit Bath University as part of the Rising Stars programme being run by our school sports partnership. Bath University is a hugely inspiring place for sport; they may even have got the chance to see some Olympians training at this wonderful facility. I am sure they had a great day.

**Staff Training and CPD-** Training our staff is still a key focus. We want to ensure that all our teachers are able to teach outstanding PE. We use some of our Sports Premium to provide training both externally and internally working alongside expert coaches.
